Mr. Dominic Gabello
Chief of Staff
214 Cannon House Office Building
Washington D.C. 20515

Dear Mr. Gabello:

I sincerely thank you for the opportunity to intern in the office of Congresswoman Michelle Lujan Grisham. The chance that you provided me was one of the great honors in my life as it allowed me to serve my Congressional district. I am thankful to the staff and Congresswoman Lujan Grisham who took the time and entrusted me with this internship and grateful to CHCI for opening the door to this great opportunity.

I acknowledge that my behavior was unprofessional and unacceptable. I profusely apologize if I brought about shame, embarrassment, or worry to the office as it was never my intention. I respect the Congresswoman as well as all of the work that all of the staff complete on a daily basis to conscientiously create issues for the office. Once again, I am sorry.

I hope that the trust and the opportunity to complete an internship in the office of Congresswoman Lujan Grisham will be granted to future interns so that the Congresswoman may continue to serve as a role model for future Latinos and assist in the development of the next generation of Latino leaders.

Sincerely,

Riley Golightly
